KEEP OUT OF REACH OF CHILDREN
WARNING

HAZARD AND PRECAUTIONARY STATEMENTS

May be harmful if swallowed. Causes serious eye irritation. Avoid inhalation, contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or smoking tobacco. Contaminated work clothing should not be allowed out of the work area.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Applicators and other handlers must wear: Chemical resistant gloves, eye protection, long sleeved shirt, long pants, and shoes.

FIRST AID

If Swallowed: Call a poison control center or doctor immediately for treatment advice.

If On Skin or Clothing: Wash with plenty of water and soap.

If In Eyes: Rinse cautiously with water for 20 minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists; seek medical attention.

HAVE THE PRODUCT CONTAINER OR LABEL WITH YOU WHEN CALLING A POISON CONTROL CENTER OR DOCTOR, OR GOING FOR TREATMENT.

For Hazardous Materials or Dangerous Goods Incidents ONLY (spill, leak, fire, exposure or accident), call CHEMTREC at 1-800-424-9300.

GENERAL INFORMATION

* *Optimized for use on crops with dicamba based herbicide tolerant traits.*

Tether DC a VaporGrip® Xtra Agent is a multifunction adjuvant designed for use with dicamba-based herbicides to reduce volatility, protect from hard water tie-up, improve coverage, and reduce the risk of drift. It contains an optimized combination of AMS-free water conditioning, surfactant technology, and drift reduction technology. *Tether DC a VaporGrip® Xtra Agent* is an approved product for dicamba-based herbicides. Check manufacturer labels and websites for confirmation.

DIRECTIONS FOR USE

Prior to use, read all directions on this label and on the label of the product to be applied.

Do not use where the pesticide label prohibits the use of an adjuvant. If the label neither recommends nor prohibits an adjuvant, the applicator must have prior experience with the adjuvant/pesticide spray mix under local conditions.

The addition of adjuvants to some pesticides, fertilizers and their tank mixes may cause phytotoxicity. Before using *Tether DC a VaporGrip® Xtra Agent*, the applicator or crop advisor must have experience with the pesticide combination, including *Tether DC a VaporGrip® Xtra Agent*, or must have conducted a phytotoxicity test.

SHAKE WELL BEFORE USING

The product should be used along with approved nozzle and pressure combinations sufficient to generate an Ultra-Course droplet spectrum and suitable spray pattern.

USE RATES

Ground: 4 quarts per 100 gallons of spray (1% v/v)

Some pesticide labels may require higher or lower adjuvant rates. Read and follow the pesticide label in such cases.

MIXING

Always start with spray equipment that has been thoroughly cleaned. Refer to the specific mixing instructions listed on the respective pesticide label(s) prior to mixing. In the absence of specific mixing instructions, fill the spray tank with at least 50% of the final carrier volume. While the carrier is agitating, add tank mix ingredients in the following order:

1. Antifoam and/or compatibility agent
2. Dry formulations (WP, DF, WDG, SG, SP) and ammonium sulfate
3. *Tether DC a VaporGrip® Xtra Agent*, flowable formulations (F & FL), liquid concentrates or suspensions (LC, ME, SC, CS)
4. Emulsifiable concentrates (E or EC)
5. Soluble liquids (S or SL)
6. Water conditioners and other adjuvants.
7. Finish filling and continue agitation

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Store in a dry place, in original container only with lid tight. Do not store near or open flame. Do not store with food, feed or other material to be consumed by humans or animals.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product must be disposed of on site or at approved waste disposal facility.

CONTAINER DISPOSAL: Do not re-use empty container.

Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal.

The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state, and federal laws and regulations.

CONDITIONS OF SALE

Generic Crop Science, LLC and its affiliates, respective officers, directors, employees, agents, successors, (collectively, "GCS") warrants only that this product conforms to the product description on the label. Other than the foregoing Limited Warranty, this product is sold on an 'as-is' basis. GCS disclaims to the fullest extent permitted by law, all other warranties of any kind, either express or implied, including, but not limited to: the implied warranty of merchantability, the implied warranty of fitness for a particular purpose, non-infringement, that the use of this product will cause or result in any particular outcome, the suitability of this product to control any specific agricultural pest or disease, or the product compatibility with other products or permitted tank mixes. If GCS breaches any of its warranties in relation to this product, buyer's and user's exclusive remedy for such breach is limited to GCS repairing or resupplying (at GCS's election) the relevant or comparable products in compliance with such warranty. To the fullest extent permitted by law, under no circumstances and under no legal theory (including, without limitation, tort, contract, strict liability, or otherwise) shall GCS be liable to user or buyer for (A) any direct, special, incidental, consequential, punitive or exemplary or indirect damages of any kind, including damages for lost profits, lost revenue, unrealized savings, crop loss, loss of yield, loss of goodwill, business interruption damages, work stoppage, or (B) any amount, in the aggregate, in excess of the amount actually paid for this product, exclusive of taxes, shipping & handling, and any other applicable fees, or (C) any other matter. GCS further disclaims any liability for compensatory or other damages arising out of any use contrary to the label direction. Some jurisdictions do not allow the exclusion or limitation of certain damages or limitations on how long an implied warranty last, so only portions of the above limitation and exclusions may apply to user or buyer if so restricted by law.
